

The Family Violence Prevention and Services Act (FVPSA) provides funding for the on-going operation of a 24-hour, national, toll-free telephone hotline. The Hotline is an immediate link to lifesaving help for victims. It provides information and assistance to adult and youth victims of family violence, domestic violence, or dating violence, family and household members, and other persons such as domestic violence advocates, government officials, law enforcement agencies and the general public. The Hotline can be accessed via the nationwide number 1-800-799-SAFE(7233) or TTY 1-800-787-3224 or (206) 518-9361 (Video Phone Only for Deaf Callers).
